

SINGLE FEASIBLE SOURCE PURCHASE POSTING NOTICE

The Missouri Department of Transportation has determined that only one source can provide the products or services described below

Title: 7-06100412 BlueTOAD (Bluetooth Travel-time Origination and Destination)

Description: The Missouri Department of Transportation, District 6 has determined that only Traffic Control Corporation, Fenton, MO., as the sole Missouri approved distributor for BlueTOAD technology manufactured by TrafficCast, can provide technology to tag anonymous mobile device identifications used to connect Bluetooth technologies such as "handsfree" headsets and audio syncing to calculate travel time by analysis of timestamps on subsequent tags in passing vehicles. This specific product is undergoing a three month test period to evaluate new traffic monitoring technology that traces anonymous Bluetooth signals to determine travel times and vehicle movement. This notice shall meet the single feasible source posting requirements in association with the needs described. The approximate value of the product is estimated at a cost of \$4,000.00 per month for three months.

Issues with this purchase may be directed to Terri Mount, Procurement Inter. Specialist at 314-301-1431 or Teresa.Mount@modot.mo.gov, until April 9, 2010.
